Dear Parents

MATRIC NATIONAL SENIOR CERTIFICATE RESULTS 2011

The 2011 Matric group have rounded off the year by producing some fine results in their Final Examination.

We warmly congratulate Charles Price-Smith, who achieved 7 distinctions, for being placed on the IEB Commendable Achievers list as he achieved results in the top 5% in the country in 5 subjects. (97% for Mathematics, 97% for Advanced Programme Mathematics, 96% for Mathematics Paper 3, 92% for Accounting, 86% for Physical Science). Only 61 of the 8 454 candidates who wrote the IEB Examinations made the list of Commendable Achievements, and Charles and Josephine Llewellyn Palmer from the DSG were the only two IEB candidates from the Eastern Cape to make the list.

We are also delighted to congratulate William Cahill on achieving 8 distinctions. He has led by example during his career at College as Head of School, and as a genuine all-rounder. He epitomises the values that St Andrew's College holds dear and we thank him for everything that he has done, and wish him well in his future studies and career.

We have pleasure in summarising the results below:

- All 84 candidates who wrote the examination passed, and achieved 107 subject distinctions.
- 151 B symbols were achieved.
- 92% of the Matrics qualify to apply to University for Degree courses. The IEB national average is 82%.
- Nearly two thirds of the boys (63%) got one or more subject distinctions.

We also congratulate the following boys who were placed in the top 1% of all the candidates who wrote these subjects:

- William Cahill in Life Sciences
- Charles Price-Smith in Mathematics
- Xan Atkins in Mathematical Literacy

While we salute the top candidates, the entire Matric class is to be commended, as many of these boys achieved the best examination results of their school careers.

The results reflect the hard work of the boys and the dedication of the teachers at both the DSG and College. We also warmly congratulate the Matrics of the DSG on their outstanding results.

We wish the College Matrics of 2011 everything of the best as they embark on the next exciting phase of their lives. We are confident that they have an outstanding foundation in their education to springboard them into highly successful careers at tertiary level and in their careers, which we will follow with great interest and pride.

Kind regards
