

22 October 2020

Dear Parents

PUPILS' PERSONAL EFFECTS INSURANCE - 2021

St Andrew's College has been able to negotiate insurance cover for pupils' personal effects through Lombard Insurance Company Limited. As you are probably aware, your son's personal effects are currently not covered by the school insurance. If your personal insurance does not have an all risks cover for your son's possessions at College, you may well wish to avail yourself of this opportunity.

You determine the sum insured (**minimum R5,500**) and the premiums are based on the rates detailed below.

An excess of R300 applies to each claim.

Should you elect to have this cover, the premium will be debited to your son's account.

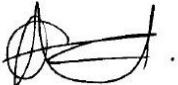

Please complete the section below and return it **no later than 27 November 2020.**
