ST ANDREW'S COLLEGE

Thursday 25 – Sunday 28 January 2024

NEC ASPERA TERRENT

Welcome Message from our Headmaster, Tom Hamilton

It is our pleasure to welcome all participating schools to the 2024 St Andrew's College Shield Tournament. Thank you for accepting our invitation and it is always a privilege to host you here in Makhanda/Grahamstown.

We welcome the Players, Coaches and Managers who have worked hard to represent their schools. We hope that you will enjoy the competition and the collegiality too. I also extend a warm welcome to the Parents who are here to support the athletes. It is through your support and encouragement that tournaments like this are possible.

The Eastern Cape is known to be a friendly place and we sincerely hope that all our out of province visitors will leave us at the end of the Tournament with a longing to return again soon. To our local school communities, thank you for continually supporting us. I know now that our St Andrew's College parents will be making every effort to make our out-of-town visitors feel welcome.

Tournaments like this require hard work from the whole team, and I wish to express my thanks to Grant Mackenzie (Director of Waterpolo), our Sports Maintenance Staff, and our Capitol Catering Team. We have had good rains in the region in the past year and the school and facilities are looking fantastic. Thanks to all these colleagues for all that they do.

Enjoy the Tournament!

Tom Hamilton
