# HOCKEY & RUGBY PROGRAMME

St Andrew's College vs Grey High School

Friday 24 – Saturday 25 May 2024

# Welcome Message from our Headmaster, Tom Hamilton

---

It is my honour to welcome the Rector, staff, boys and parents of Grey High School to St Andrew's College today. We also welcome our own Andrean and DSG communities, as well as townsfolk, to this set of rugby and hockey fixtures.

Our Hockey Club has played a lot of matches this season to date, but very few here at home. This will only be our fourth full rugby fixture at home this season. We are delighted that our St Andrew's College campus and the astroturf complex at the DSG campus will be full of activity and spirit this weekend. It is what makes our South African winter seasons so special.

We also welcome the many Old Andreans from 1974, 1984, 1994, 1999 and 2004, and their partners, who are attending their Big Reunion this weekend. We hope you will have a wonderful weekend back here at College and DSG. It is always an honour to have Old Andreans and Old DSG girls back among us and our boys have been looking forward to this big weekend.

Derby matches like this require hard work from the whole team, and I wish to express my thanks to the Sports Office, Hockey and Rugby Staff, our Sports Maintenance Staff, Grounds Staff, and Boarding and Catering Teams. Thanks to all these colleagues for all that they do to ensure that our big Eastern Cape Derby Days are colourful, safe and enjoyable.

I wish to point out to our own supporters and to all of our guests that our sports facilities are strictly alcohol-free. Coffee, tea and light refreshments will be served at the astroturfs and also at the main rugby field. There will be additional fare provided in the Norton Common Room, which is situated near the changing rooms on Lower Field. Alcohol will only be served at the Highlander on the St Andrew's College campus. Security has been instructed to enforce this protocol without exception.

We have seen good values and exemplary behaviour on our sports fields this year to date. I hope that today will see more of the same and that our visiting colleagues, parents and boys from Grey High School will return home appreciating our Makhanda hospitality.

Enjoy the day and may this fixture, and the relationship between our schools, continue to go from strength to strength.

Headmaster
