

ST ANDREW'S COLLEGE

VACANCY

Physical Science Teacher

Start date: 1 September or as soon as possible thereafter

About the Role:

The role of the Physical Science teacher is to inspire academic excellence through engaging instruction and hands-on experiences.

They will be required to collaborate with colleagues, uphold curriculum standards, and contribute to student success whilst fulfilling administrative duties, maintaining discipline, and supporting extracurricular activities.

Key Responsibilities:

- Be an exceptional and passionate teacher who inspires (interest to be involved in a pastoral capacity would be advantageous).
- Hold a suitable degree and a professional teaching qualification.
- Demonstrate excellent content knowledge of Physical Sciences.
- Have successful teaching experience in Physical Sciences to Grade 12 level (ability to teach A Level or Further Studies depth would be advantageous).
- Have a passion for developing and using resources that encourage active learning.
- Be dynamic in their thinking, demonstrating ongoing professional development and best practice.
- Be self-motivated, proactive and committed to contribute to a dynamic and collegial department.
- Be registered with SACE.
- Have an understanding of and a willingness to grow the unique teaching partnership with The Diocesan School for Girls.
- Be willing to participate fully in the life of the school and in extra-curricular activities.
- Demonstrate a willingness to support the Christian ethos of the school.
